Re: Software Developer

Dear Hiring Manager,

I am excited to express my great interest in applying for the **Software Developer** position. I am very eager to use my abilities to contribute to the continued success of the team.

I am currently a new graduate from Seneca College with the high honor degree of Advanced Diploma of Computer Programming and Analysis. I have experience in building server and client-site web-based applications using React.js, Next.js, Angular, Node.js, Express.js and skills of working with source control (Azure, DevOps, GIT). In addition, I have gained a strong understanding of Objected-Oriented Programming, SOLID Principles, Docker, AWS as well as RESTful APIs, Microsoft Azure cloud.

During the time of working in **Software Developer Co-op** position with the **Ministry of Children, Community and Social Services in Shared and Community Services I&IT Solutions Branch**, I have 8-month working experience on the Family Responsibility Office Digital Forms (FRO Digital Forms) project. My responsibility focused on the front-end development with JavaScript's Framework Angular 15+ along with Ontario Design System to develop responsive and user-friendly web-based application as well as identifying code smells and working on code refactoring activities. By collaborating with the team of 11 members including Senior Frontend and Backend Developers, Business Analyst, Testers, and Project Manager to enhance the web application functionalities, user interface and user experience, I have gained the practical valuable experience in IT business environment and with my helpful contributions to the team, I have helped get 2 MCCSS's Digital Forms released successfully into production.

I am driven to succeed in my career and strive for excellence in everything I do. With a strong desire to continually grow professionally, I am confident that would be very successful in this role. Please do not hesitate to contact me for a meeting to further discuss my qualifications. I can be reached by email at maducphong8@gmail.com or by phone [437-255-8080](tel:437-255-8080).

Thank you for your consideration,

Sincerely,

Duc Phong Ma
